

STATEMENT OF PURPOSE

RS29081 / H0418

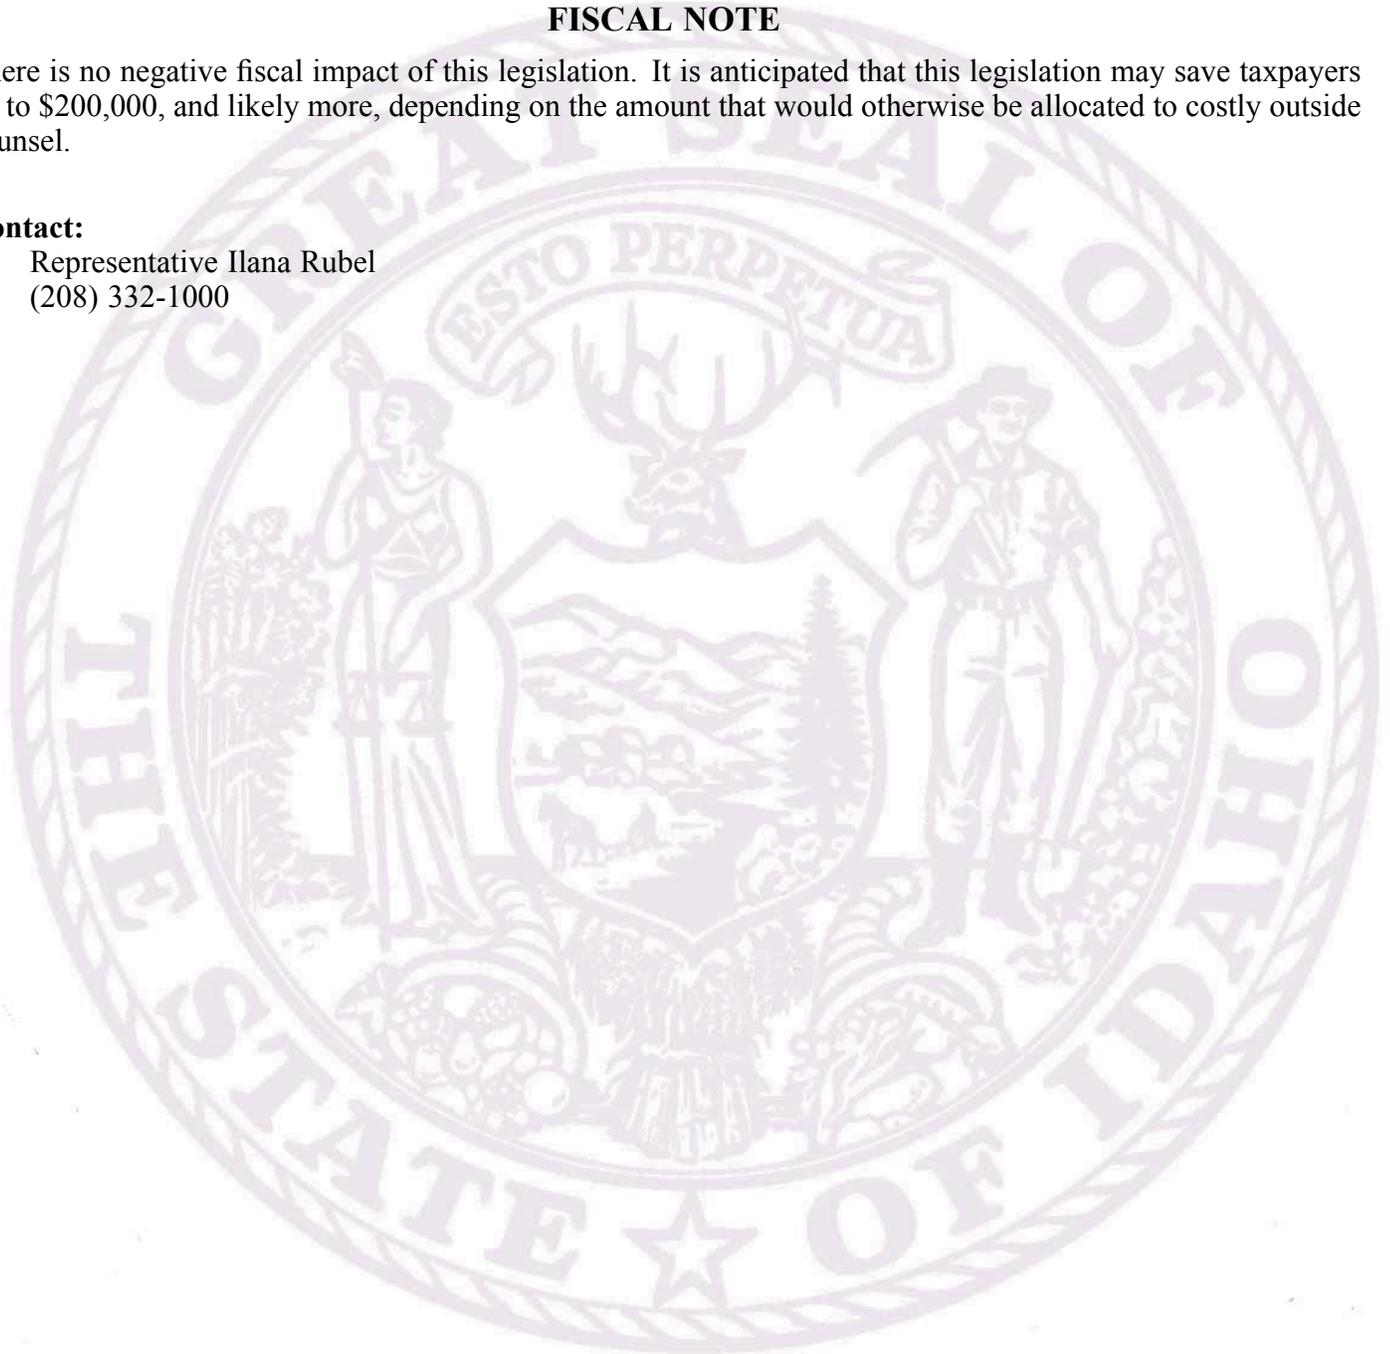

This legislation provides that any litigation resulting from legislation regarding federal policy on immunizations must be defended by the Attorney General, and that no public funds are to be used for outside counsel.

FISCAL NOTE

There is no negative fiscal impact of this legislation. It is anticipated that this legislation may save taxpayers up to \$200,000, and likely more, depending on the amount that would otherwise be allocated to costly outside counsel.
